MIMET VILLAGE

I invite you to discover without delay this very beautiful house composed of 3 bedrooms and a large mezzanine, in absolute calm on a plot of 1000m² in the forest.

This house built in 1991 is in perfect condition.

You have several parking spaces, two large garages of a total of 47m², a cellar, a car port.

After climbing the outside staircase, you enter through a small foyer.

On one side you will find the living space consisting of a beautiful living room with insert fireplace, a separate kitchen, both opening onto a south-facing and sunny terrace, a mezzanine of around 20m² including 13 habitable.

The night part is composed of three beautiful bedrooms, one with terrace, 1 bathroom with Italian shower, 1 WC and access to the garage.

The 1000m² are not necessarily usable because most of it is at the back, on the hill. Nevertheless, there is still enough to make a pretty flat garden in front of the house at the level of the garages and the car port.
