House ref. 889V387M Mimet

In the popular area of Bastide Neuve in Mimet, I invite you to come and discover this detached house built in the 1990s.

After passing through the automatic gate, you access the house via a few steps to discover a reception hall, a large living room with fireplace, a dining room and the openable kitchen.

These three rooms access the south-facing terrace, with a gate for lovers of forest walks without taking the car!

On this level, accessible without stairs from the ground, you will also benefit from a large bedroom and a small bathroom (shower and hand basin) as well as a separate WC.

Upstairs, three star-shaped bedrooms await you as well as a bathroom and a toilet.

Additional services: double-glazed PVC frames, mains drainage, cleaned facades and roofs, attic insulation, fiber.
